

Dlla150s187 Fuel Tank Nozzle 1 Inch Fuel Nozzle 0-150 Degrees Fahrenheit

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Temperature Rating: 0-150 Degrees Fahrenheit
- Model: 11A
- Cylinder: Multi-cylinder
- Nozzle Diameter: 1 Inch
- Certifications: UL, CSA, CE
- Warranty: 1 Year Limited Warranty
- Stamp Number: Dlla150s187
- Flow Rate: 10 Gallons Per Minute
- Highlight: **dlla150s187 fuel tank nozzle, fuel tank nozzle 1 inch, dlla150s187 1 inch fuel nozzle**

Product Description

1 Inch Fuel Tank Nozzle UL CSA 0-150 Degrees Fahrenheit 11 A Dlla150s187 Multi cylinder Nozzle

Product Description:

The Nozzle Diameter of 1 Inch ensures that the oil delivery spout fits snugly into the tank or barrel, making the transfer process spill-free and seamless. The Fuel Nozzle also comes with a Trigger Lock feature, which ensures that the nozzle stays in place during the transfer process, providing you with a hands-free experience.

The Fuel Nozzle also features a Splash Guard, which ensures that there are no spills or splashes during the transfer process, keeping your surroundings clean and tidy. Furthermore, the Automatic Shut-off feature of the Fuel Nozzle ensures that there is no overflow or wastage of oil, making it environmentally friendly.

The Fuel Nozzle is an essential tool for anyone in the oil delivery business. Its sturdy and durable design ensures that it can withstand the harsh conditions of the industry, making it a reliable tool for years to come. The Fuel Nozzle is also easy to operate and maintain, making it a favorite amongst professionals in the industry.

If you're looking for a Petroleum Flow Nozzle that is reliable, efficient, and easy to use, then the Fuel Nozzle is the perfect choice for you. Its features such as Trigger Lock, Splash Guard, and Automatic Shut-off make it a top choice for professionals in the industry. So, get your hands on the Fuel Nozzle today and experience the convenience and efficiency of oil delivery like never before!

Features:

Product Name: Fuel Nozzle

Hose Length: 10 Feet

Flow Rate: 10 Gallons Per Minute

Pressure Rating: 50 Psi

Model: 11A

Features:

Trigger Lock

Splash Guard

Automatic Shut-off

This Fuel Nozzle is perfect for use as a Gas Pump Spout or Gasoline Hose Nozzle.

Technical Parameters:

Pressure Rating	50 Psi
Quality	Guranteed
Hose Length	10 Feet
Features	Trigger Lock, Splash Guard, Automatic Shut-off
Temperature Rating	0-150 Degrees Fahrenheit
Flow Rate	10 Gallons Per Minute
Stamp Number	Dlla150s187
Size	5.5 Inches
Warranty	1 Year Limited Warranty
Component	Fuel Injection Device

Applications:

The Virette Fuel Dispenser Nozzle is equipped with several features that make it stand out from its competitors. The trigger lock feature ensures that the nozzle stays in place when fueling, reducing the chances of spills and accidents. The splash guard feature protects users from fuel splashes and keeps the fueling area clean. The automatic shut-off feature helps to prevent overfilling and saves fuel costs.

This product is ideal for use in several occasions and scenarios. It is suitable for use in fuel stations, gas stations, and other fuel dispensing points. It is also perfect for use in fuel transfer applications where fuel needs to be transferred from one tank to another. The Virette Fuel Dispenser Nozzle is easy to install and use, and it is guaranteed to provide users with a hassle-free fueling experience. With its high-quality build and advanced features, the Virette Fuel Dispenser Nozzle is a reliable and efficient fueling solution. It is designed to provide users with a safe, clean, and efficient way to dispense fuel, making it a must-have for any fueling station or fuel transfer operation.

Customization:

Customize your petroleum flow nozzle with Virette's product customization services. Our diesel fuel gun is made in China and has a flow rate of 10 gallons per minute. It comes with a trigger lock, splash guard, and automatic shut-off for added safety. The stamp number for this oil delivery spout is Dlla150s187. Our product is certified by UL, CSA, and CE, and comes with a 1 year limited warranty. Contact us today to learn more about how we can customize this fuel nozzle to meet your specific needs.

Packing and Shipping:

Product Packaging:

The fuel nozzle will be securely packaged in a cardboard box.
The box will be labeled with the product name, model number, and quantity.
Inside the box, the fuel nozzle will be wrapped in bubble wrap or foam to prevent damage during shipping.
Shipping:
Shipping will be handled by a reputable carrier such as UPS or FedEx.
The shipping cost will be calculated based on the weight and destination of the package.
Tracking information will be provided to the customer once the package has been shipped.
Delivery times may vary depending on the destination and shipping method chosen.
